

TRUE PROTECTION. BUILT TO LAST. LIGHTWEIGHT. EASY TO CLEAN.
 Head-to-toe protection from hot liquid, grease, steam, vapors, or cleaning chemicals.

FULL BODY PROTECTION

Lightweight, comfortable protective apparel for multiple applications - fryer filtration, pot and pan washing, or working with cleaning chemicals.

Head Gear with Face Shield:

Full face protection with unimpeded full line of sight, adjustable head band, pivots forward and backward. Easy to clean, lightweight to wear.

36" QuicKlean™ Apron:

Constructed of durable Nylon with VaporGuard® barrier. Lightweight and comfortable to wear for extended periods. Length: 36".

SteamGlove™ Utility Glove:

Watertight, submersible, and knit-lined. SteamGuard™ barrier offers excellent protection from a wide array of chemicals, hot oil, and hot water/liquids that can injure workers. 20" length protects hand and arm. Material composition is FDA 21 CFR, parts 170-199 compliant, making the gloves ideal for food handling and preparation. Gloves can be easily cleaned at the 3-compartment sink.

- Abrasion Resistance Tested: Level 5
- Puncture Resistance Tested: Level 2
- Cut Resistance Tested: Level 1

ShinGuard™ Protectors with QuicKlean™ Finish:

Constructed of durable Nylon with VaporGuard® barrier. Protects lower legs and feet, keeping the wearer safe and dry. Eliminates need for special boots in multiple sizes and maintains slip resistance if wearing slip resistant shoes.

EXTRAORDINARILY LONG SERVICE CYCLE means solid ROI through reduced burn-related expenses

WITHSTANDS REPEATED WASHING AND SANITIZING without losing protective qualities

LIQUID/VAPOR BARRIER effectively blocks hot liquids, vapors, steam and grease

FULL BODY PROTECTION KIT QUICKCLEAN™ FINISH
