

TUCKER

SAFETY PRODUCTS INC.

Ultimate Safety.... Approved for Foodservice

Maximum Safety
The ultimate in wearer protection from multiple heat sources, wet and dry.

Maximum Sanitation
Poly-Cotton Protective Products with our VaporGuard® barrier can be machine washed to prevent soil build up, reduce the risk of cross contamination, and maximize product life cycle. Liner can be removed for washing and drying separately.

Maximum Service
We design industry-leading products that can be trusted and that offer effective personal protection against burns or cuts throughout foodservice operations. We offer a one-year warranty against manufacturer's defects. If our customers are not 100% satisfied, we will work with them until they are.

Maximum Savings
The interchangeable liner provides cost savings by allowing removal, cleaning, and replacement of the liner alone. The mitts last 10 times longer than traditional cotton quilted oven products.

Poly-Cotton Conventional-Style Oven Mitt with Interchangeable Liner

COLOR:
Red with Blue GussetGuard™

DESCRIPTION:
Poly-Cotton Conventional-Style Oven Mitt with Interchangeable Liner

PACK SIZE:
1 each

SPECIFICATION:

Poly-Cotton Conventional-Style Oven Mitt: Tucker Safety Products BurnGuard® Item #_____. Material: Poly-Cotton (color red). GussetGuard™ reinforcement. Standard size: Medium (additional sizes available upon request). Standard lengths: 12", 15", 18", and 24". Outer shell fabric permanently bonded with flame resistant, effective liquid and vapor barrier, that will not lose its protective qualities if exposed to 500°F (260°C) for 24 continuous hours. Insulation: 100% cotton terry that has been scoured, tumbled dry and heat set to eliminate 97% of shrinkage; designed to handle 450°F (232°C)*. Must be certified by NSF and meet NSF protocol # 96/011/480/2480 testing requirements for Class I oven mitts (thermal protection, an effective liquid/vapor barrier, durability, and cleanability).

* Insulation threshold levels as determined by NSF P149 & EN407 testing standards, which will prove a "not less than 15 seconds to discomfort".

Part #	Catalog Description	UPC	UOM	Shipping Wt. (oz)	Dimen. (LWH) (in)
