

TUCKER

SAFETY PRODUCTS INC.

Nomex® Apron

Ultimate Safety.... Approved for Foodservice

Maximum Safety

The ultimate in wearer protection from multiple heat sources, wet and dry.

Maximum Sanitation

Nomex® Protective Products with our VaporGuard® barrier can be machine washed to prevent soil build up, reduce the risk of cross contamination, and maximize product life cycle.

Maximum Service

We design industry-leading products that can be trusted and that offer effective personal protection against burns or cuts throughout foodservice operations. We offer a one-year warranty against manufacturer's defects. If our customers are not 100% satisfied, we will work with them until they are.

Maximum Savings

Our innovative, high-grade materials protect wearers better for a longer period of time. The apron lasts 20 times longer than traditional cotton aprons.

ITEM #:
10360

LENGTH:
36"

COLOR:
Blue

DESCRIPTION:
Nomex® Apron

PACK SIZE:
1 each

SPECIFICATION:

Nomex® Apron: Tucker Safety Products BurnGuard® Item #10360. Material: Nomex® (color blue). Standard length: 36". Apron secured with neck strap and two waist straps sewn into the body of the apron. Outer shell fabric permanently bonded with flame resistant, effective liquid and vapor barrier, that will not lose its protective qualities if exposed to 500°F (260°C) for 24 continuous hours. Liquid/vapor barrier must meet NSF protocol # 96/011/480/2480 testing requirements for thermal protection, durability, and cleanability.
