MAXIMUM SAFETY

Worker safety is critical to the success of any business. Protecting them from injury must come first. Tucker burn protective products offer the ultimate in wearer protection from multiple heat sources, wet and dry.

MAXIMUM SANITATION

All of our products are designed to inhibit the growth of bacteria.The QuicKlean™ finish does not allow anything to stick to it, therefore preventing soil build up and reducing the risk of cross contamination. Every $\mathit{QuicKlean}^{\mathsf{TM}}$ product is quick and easy to clean.

MAXIMUM SERVICE

We manufacture industry-leading products that can be trusted and that offer effective personal protection against burns or cuts throughout foodservice operations. We offer a one-year warranty against manufacturer's defects. If our customers are not 100% satisfied, we will work with them until they are.

MAXIMUM SAVINGS

Our innovative, high-grade materials protect wearers better for a longer period of time and last up to 10 times longer than inexpensive commodity products that are designed to fail.
