

POLY-COTTON & *NOMEX*® PRODUCTS (SEWN IN LINERS) WASHING INSTRUCTIONS

Recommended Frequency: Daily or spot clean as needed throughout the day

Where: Machine Wash / 3-compartment sink (Spot Cleaning only)

1

Inspect for excessive wear or damage. Discard immediately if damaged and replace.

2

Machine wash in warm water on regular or normal setting. Use liquid detergent for best results.

3

Tumble dry on a warm setting, or hang to air dry on designated Safety Station.

Protective apparel is safe to use wet or dry and can be put back into service immediately.
