MAXIMUM SAFETY

Reduce risks with the highest level of cut protection, reduce hand fatigue, and increase dexterity and touch sensitivity with our comfortable cut resistant gloves designed specifically for foodservice workers. This glove is FDA CFR-21, parts 170-199 compliant making it safe for direct food contact.

MAXIMUM SANITATION

Whizard® Brand Cut Resistant Gloves are made from a composite of high performance yarns/fibers that are safe for machine washing and drying for maximum sanitation.

MAXIMUM SERVICE

We manufacture industry-leading products that can be trusted and that offer effective personal protection against burns or cuts throughout foodservice operations. We offer a one-year warranty against manufacturer's defects. If our customers are not 100% satisfied, we will work with them until they are.

MAXIMUM SAVINGS

Our innovative, high-grade materials protect wearers better for a longer period of time. Tucker Safety Products offer the best value, low total cost of ownership, and true protection.
